

Sprint Retrospect Meeting

Andries Bingani 856807

October 31, 2016

The Sprint Retrospect took place. The team was given the opportunity to discuss what went wrong and what went right. Then at the end of the meeting the following actions were agreed upon.

Actions

- Move daily scrum meetings, they are now going to be held later during the day.
- Clarify the definition of done
- Talk about issues that you are struggling with

Other issues are going to be discussed in the next Sprint Retrospect Meeting as agreed by the group.
